INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Punjabi Community Health Services

Qualified Opinion

We have audited the accompanying financial statements of Punjabi Community Health Services ("PCHS" or "the Organization"), which comprise the statement of financial position as at March 31, 2022, and the statement of operations, statement of changes in net assets and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effect of the matter described in the Basis for Qualified Opinion section of our report, these financial statements present fairly, in all material respects, the financial position of PCHS as at March 31, 2022 and the results of its operations and its cash flows for the year then ended in accordance with Accounting Standards for Not-for-Profit Organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, PCHS derives part of its revenue from the general public in the form of donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our examination of revenue from these sources was limited to verifying the amounts recorded in the records of the organization and we were not able to determine whether any adjustment might be necessary to general contributions, excess of revenue over expenses and changes in financial position. We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Accounting Standards for Not-for-Profit Organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going-concern basis of accounting unless management either intends to liquidate the Organization or to cease operations (or has no realistic alternative but to do so). Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement (whether due to fraud or error) and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements (whether due to fraud or error), design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate appropriateness of accounting policies used and reasonableness of accounting estimates & related disclosures by management.
- Conclude on the appropriateness of management's use of the going-concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements (including the disclosures), and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of these financial statements.

Punjabi Community Health Services (PCHS)

Notes to the Financial Statements

For the Year Ended March 31, 2022

1. Nature of the Organization

Punjabi Community Health Services (PCHS) is a registered charity with Charities Directorate and is exempt from income tax under the provisions of Paragraph 149(1)(f) of the Income tax Act. The objectives of the organization are as follows:

- i) To educate and inform the community about health care, family centered care, and substance abuse and related social problems, by providing supportive counselling, educational material, workshops, training sessions and presentations, mentoring programs, psycho-educational programs and other support services.
- ii) To develop programs to educate the public about the culture and traditions of diverse community and the social and health problems.
- iii) To provide education, supportive counselling and other support services for the immigrants in need, including translation services, diversity training and information programs on Canadian life and culture, for their integration with the mainstream Canadian Society.

2. Basis of Accounting

These financial statements have been prepared in accordance with Canadian Accounting Standards for Not-for-profit Organizations.

3. Summary of significant accounting policies

i) Revenue

Revenue is derived from the following significant sources:

a. Restricted contributions

Contributions which are restricted for a designated purpose are recognized in the financial statements using the deferral method, whereby contributions are deferred and recognized as revenue in the year in which the related expenses are incurred. These contributions include funding from various government agencies and registered charities.

b. General Contributions

General contributions from public, which are designated for a specific purpose, are recognized in the financial statements as revenue when received.

c. Administration Fees

General administration fees are charged for approximately 5-10% of program funding for all non-recurring programs. PCHS prorates this administration fees based on duration of each such program, and recognizes as administration expense on individual programs and revenue in the general fund.

d. Contributed services

Volunteers contribute many hours to assist the organization in carrying out its mission. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

Punjabi Community Health Services (PCHS)

Notes to the Financial Statements

For the Year Ended March 31, 2022

ii) Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the reporting date and the reported amounts of revenues and expenses for the reporting period. Actual results could differ from those estimates. Significant financial statement items that require the use of estimates are common expenses for allocation amongst various programs, deferred revenue, deferred capital contribution and useful life of capital assets.

iii) Cash and cash equivalents

PCHS presents cash-in-hand, bank balances and term deposits with a maturity period of three months or less from the date of acquisition under cash and cash equivalents.

iv) Capital assets

Capital assets are recorded at cost and amortized over their estimated useful lives using following methods and annual rates. When the organization observes conditions that indicate that a tangible capital asset is impaired, the net carrying amount of the tangible capital asset is written down to the asset's fair value or replacement cost. The write-downs of tangible capital assets are accounted for as expenses in the statement of operations.

	Methods	Rates
Office equipment	Diminishing balance	20%
Computer equipment	Diminishing balance	30%
Furniture and fixtures	Diminishing balance	20%
Leasehold improvement	Straight line	Over the expected lease term

4. Cash and Cash Equivalents

	2022	2021
Internally restricted - Term deposits	\$ 277,280	\$ 161,726
General - Operating account	448,470	791,934
Restricted for programs - Operating account	845,909	581,918
	<u>\$ 1,571,659</u>	<u>\$ 1,535,578</u>

There is an internal restriction on term deposits (GIC) with a balance of \$277,280 as of March 31, 2022 (\$161,726 as of March 31, 2021). The Board of Directors has placed this restriction directing that these funds will only be used upon approval from the Board, for purposes specifically authorized by the Board. This motion is effective from December 21, 2016.

Punjabi Community Health Services (PCHS)

Notes to the Financial Statements

For the Year Ended March 31, 2022

5. Other Current Assets

	2022	2021
Prepaid Rent	\$ 69,902	\$ 64,737

Office equipment	176,214	148,206	28,008	35,077
	<u>\$ 1,710,878</u>	<u>\$ 1,256,789</u>	<u>\$ 454,089</u>	<u>\$ 477,379</u>

7. Related party transactions

During the year, PCHS paid salary in the amount of \$178,719 (\$126,500 in 2021), travel allowance in the amount of Nil (2021: Nil) and other expense reimbursements in the amount of Nil (2021: Nil) to Chief Executive Officer. Salaries in the amount of \$145,623 (\$104,500 in 2021), travel expense in the amount Nil (2021: Nil) were paid to Chief Operating Officer (COO). COO's son was paid \$35,657 (2021: \$50,241) as salary in the capacity of Addiction Case Manager and Intake Coordinator and travel reimbursement of Nil (2021: Nil).

Payments of \$170,493, in total (2021: \$364,413) were made to two companies owned and operated by the spouse of HR Manager of PCHS for IT services and equipment in the normal course of operations. Rent in the amount of \$116,400 (2021: \$116,400) was paid to a company owned jointly by the CEO and COO. The property was financed in part by the CEO and COO through personal lines of credit, and rental income is used to pay down those lines. It is the intention of PCHS's management and the Board that once the personal lines of credit are fully paid, the property will be contributed to PCHS without additional consideration, and there will be no financial or material benefit conferred upon the CEO and COO from this property or any transactions related thereto.

During the year ended March 31, 2019, PCHS Foundation, a registered charity which PCHS has economic interest in, was engaged to carry out certain events and programs. These programs were not assigned to PCHS Foundation for the current year or the previous year. During the year, PCHS paid \$1,922 for advertising cost on behalf of the Foundation.

Punjabi Community Health Services (PCHS)

Notes to the Financial Statements

For the Year Ended March 31, 2022

All these transactions were carried out in the normal course of operations and are recorded at the exchange value. This value corresponds to the consideration agreed upon by the parties and is determined based on the costs incurred.

8. Deferred contributions

Deferred contributions represent unspent resources externally restricted for program expenses related to subsequent periods. These contributions include government funds or grants received but not spent at March 31, 2022.

	2022	2021
Centre for Addiction and Mental Health	\$ 42,353	\$ 95,459
Digital Media	-	39,586
High Priorities Project	308,090	206,419
Immigration, Refugees and Citizenship Canada	52,734	32,629
Mental Health Wellness	71,022	-
Mobile Care Rapid Response Team	54,743	54,743
Peel Community Cycling Program	58,794	47,343
Peer Support	51,922	-
Region of Peel (Core funding)	110,072	36,000
Other programs	96,179	69,739
	\$ 845,909	\$ 581,918

Contributions recognized as revenue are included in respective program categories in the statement of operations. Restricted cash for programs is grouped with cash in the statement of financial position.

9. Deferred capital contributions

Deferred capital contributions represent the unamortized amount of government grants received for the purchase of capital assets. Amortization of deferred capital contributions is recorded in program revenue on the statement of operations.

	2022	2021
Balance at beginning of the year	\$ 458,423	\$ 215,267
Contributed capital assets	139,510	379,758
Amounts amortized to revenue	(161,053)	(136,602)
Balance at end of the year	\$ 436,880	\$ 458,423

Punjabi Community Health Services (PCHS)

Notes to the Financial Statements

For the Year Ended March 31, 2022

10. Financial instruments

The organization's financial instruments consist of cash, advances receivable, accounts payable and accrued liabilities, and are accounted for in accordance with Section 3856 of the CPA Canada Handbook. The carrying value of these financial instruments approximates their fair value due to their short-term duration.

It is management's opinion that the organization is not exposed to significant interest, currency, credit or market risks arising from these financial instruments.

11. Capital disclosures

PCHS defines capital as its net assets. The objective of PCHS when managing its capital is to safeguard its ability to continue as a going concern so that it can continue to provide sufficient funding for its mission.

PCHS maintains sufficient liquidity to meet its obligations as they become due. The organization does not carry long-term debt and is not subject to any externally imposed capital requirements.

12. Commitments

The organization entered into a lease agreement with 2330951 Ontario Inc., a related party, with an initial term of 5 years starting on August 1, 2012, renewed until July 31, 2027. There are other lease agreements in place with unrelated parties for the organization's office premises in Brampton and Scarborough. Minimum rent payable under these leases in the next five years and thereafter is as follows:

2022-23	453,462
2023-24	448,743
2024-25	328,449
2025-26	119,043
2026-27	119,043
Thereafter	109,652

13. Allocation of common costs

Certain common expenses (such as rent, utilities, salaries) are allocated to individual programs and to the general fund based on management estimates of actual usage and/or benefit derived by those programs. These allocations are normally budgeted for and approved by the respective funders at the beginning of the program, and actual expense allocations are in accordance with the budget approvals.

The services of the Senior Finance Manager are mainly related to accounting and reporting of programs funded by Ontario Health Team Central (OHT), formerly known as Central West Local Health Integration Network (CWLHIN), which makes extensive use of Great Plains accounting software. Other programs are relatively smaller and do not require particular type of reporting. Therefore, Senior Finance Manager's compensation is allocated mostly to core programs funded by OHT. The compensation paid to CEO and COO is charged to specific programs as they deliver those program activities. The administrative duties performed by CEO and COO are their in-kind contribution towards PCHS which are not recognized in the financial statements.

Punjabi Community Health Services (PCHS)

Notes to the Financial Statements

For the Year Ended March 31, 2022

14. Government Remittances Payable

Government remittances consist of amounts (such as property taxes, sales taxes and payroll withholding taxes) required to be paid to government authorities and are recognized when the amounts become due. In respect of government remittances, \$Nil (2021 - \$Nil) is included within accounts payable and accrued liabilities.

15. Economic Interest in Another Not-For-Profit Organization

PCHS is a corporate member of another registered charity (PCHS Foundation) which was formed for the sole purpose of receiving and maintaining a fund or funds and to apply all or part of the principal and income, from time to time, for the benefit of the PCHS. Any property remaining on dissolution or liquidation of the Foundation, after discharge of liabilities, shall also be distributed to PCHS.

16. Government Assistance

In the current year, PCHS received \$11,110 (2021 - \$692,479) under Canada Emergency Wage Subsidy (CEWS) and \$2,385 (2021 - \$15,049) under Canada Emergency Rent Subsidy (CERS) as a result of decline in revenue excluding government funding attributed to the COVID-19 pandemic. Entities must satisfy certain eligibility criteria, including among others a significant decline in revenue as compared to earlier periods.

17. Impact of COVID-19 Pandemic

Since March, 2020, the spread of COVID-19 has severely impacted many local economies around the globe. In many countries, businesses are being forced to cease or limit operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Global stock markets have also experienced great volatility and a significant weakening. Governments and central banks have responded with monetary and fiscal interventions to stabilise economic conditions. These conditions, however, do not affect the company's ability to continue as a going concern, as management does not anticipate that the company's revenues and operations will be materially impacted.

The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Organization for future periods.

18. Comparative Figures

Some of the comparative figures have been reclassified to conform to the current year's presentation.
