

## **DIVERSITY**

### **Research Program**

#### **What is Research Program?**

Punjabi Community Health Services continuously conduct the need assessment for the South Asian Community in Canada. PCHS works with various universities, colleges and other partner agencies to complete the research projects.

#### **Who can benefit?**

South Asian Community and the Health Service Providers.

#### **What are the major benefits?**

The benefits are substantial and include:

- Research is conducted in English, Punjabi, Hindi, and Urdu
- Needs assessment is determined on various topics including HIV-AIDS, Homo-Sexuality, Sexual Abuse and many more sensitive issues.
- Community awareness and education based on the recommendations from Research Study.

#### **How can I participate in the Research Study?**

By calling 905.677.0889 or 905.790.0808.

#### **Where is the Program located?**

The programs are located at:  
11730 Airport Road, Brampton, Ontario, L6R 0C7  
2829 Derry Road East, Mississauga, Ontario, L4T 1A5

#### **What are the hours of operation?**

*Monday to Friday 9:00 a.m. to 5:00 p.m.*
