Butterfly Bereavement Project

National Grief & Bereavement Day and National Children's Grief Awareness Day are observed in November 2026. This special month provides an opportunity to honour the people we have loved and lost.

BethellHospice

You're invited to create a remembrance butterfly to be included in a special art installation that will be displayed during the month of November to commemorate these special grief days. We will be hosting the following FREE event, where blank butterflies will be distributed to participants who will be able to personalize butterflies in honour of loved ones. Pre-registration is preferred for this adult workshop which will explore topics around grief.

Butterfly Workshops:

Punjabi Community Health Services
60 West Drive, Unit 101, Brampton
Friday, November 13, 2026
3:00 - 5:00 p.m.

pchs Punjabi Community Health Services
