## What is Sahara Better Families Program?

The Sahara Better Families Program (BFP) provides supports to youth ages 12 to 24 years old and their families and to parents of children aged 1 to 11 years old, and parents that are mandated by legal obligation related to children or youth issues. Areas covered by the program are mental health, cultural conflict, violence, and substance abuse. The program provides individual case management and group sessions. This includes supportive counselling, individualized assessments with different set of tools, developing a care-plan, systems advocacy, service co-ordination, and connecting individuals with resources.

**The mission of this program is “Building better families by strengthening relationships”.**

**The program offers:**

- Life skills training to youth and parents.
- Training and resources to youth and parents for safety planning.
- Psychoeducation to youth and parents to address mental health, substance abuse and violence issues.
- Linguistically and culturally appropriate services.
- Services in English, Punjabi, Hindi and Urdu.
- Coordination with other partners/agencies who specialize in child and youth services.

## Sahara Parenting Program

Sahara Parenting Group session:

The program is designed to raise awareness and provide psychoeducation to support the clients in their wellbeing goals pursuing positive and healthy relationships. The program offers interactive resources designed to help youth and families to achieve their mental health and self-care goals.

**The topics include but are not limited to:**

- Parenting in Canada
- Bullying
- Eastern and Western differences
- Communication Skills
- Developing listening skills
